Re: Notification of Approval for Installation of Reserved Residential Parking Space for Disabled Resident

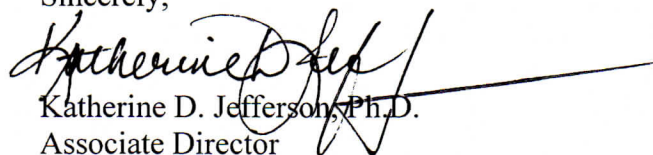

Dear Chairperson Green:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

The District Department of Transportation (DDOT) received a request from Ms. Tammy White-Smily at 312 Peabody Street, N.W. for a reserved handicap residential on-street parking space. According to 54 DCR 903 (February 2, 2007), sections 2710.1 through 2710.3, the Director of DDOT may reserve one (1) on-street parking space for any District resident who applies in writing for a reserved space and who qualifies under sections 2710.1 (a) through (e). Therefore, DDOT has approved said resident to have a reserved on-street parking space with the shortest possible circulation route.

All comments on this subject matter must be filed in writing no later than thirty (30) days after the date of this notice with the District Department of Transportation (DDOT), Transportation Operations Administration, 55 M Street, SE, Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT’s website at <http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent>.

Sincerely,

Katherine D. Jefferson, Ph.D.
Associate Director
