

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF TRANSPORTATION

d. Office of the Associate Director

August 26, 2013

E. Gail Anderson-Holness, Commissioner
Advisory Neighborhood Commission 1B
Single Member District 1B11
920 Euclid Street, NW
Washington, DC 20011

**Re: Installation of Traffic Control Signal – Ward 1
Notice 13-94-TOA**

Dear Commissioner Anderson-Holness:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to each of the affected ANCs and the City Council Secretary for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction:

- Installation of a New Traffic Signal at the Intersection of 4th Street and College Street, NW. Removal of STOP Sign Control on College Street, NW Approaching 4th Street.

Currently, College Street, NW traffic is controlled by a STOP sign at its intersection with 4th Street. A new traffic signal is to be installed at the intersection of 4th Street and College Street, NW as a condition of development of adjacent property into a new dormitory for Howard University students. DDOT has determined that the expected increases in vehicular and pedestrian activity as a result of this development justify the installation of traffic signal control. The proposed new traffic signal will provide for the safe and efficient movement of vehicular and pedestrian traffic at this intersection, and it can be coordinated with adjacent traffic signals on the 4th Street, NW corridor to minimize disruptions to through traffic.

Therefore, in the interest of promoting the safe and efficient movement of vehicular and pedestrian traffic through and in the vicinity of this intersection, an independent determination has been made by the DDOT Transportation Services Administration to remove the existing STOP sign control on College Street, NW at 4th Street, and to install and operate a traffic signal at the intersection of 4th Street and College Street, NW.

All comments on this subject matter must be sent to Mr. James Cheeks of the District Department of Transportation at 55 M Street, S.E., 6th Floor, Washington, D.C. no later than thirty business days (30) after the date of this notice. This notice of intent and all comments received will be posted on DDOT's Website at:

<http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent?nav=3&vgnextrefresh=1>

Regards,
