**Re: Installation of school pick up and drop off parking signs
NOI #14-39-TOA**

Dear Chairperson Parks:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- ***Installation of school pick up and drop off parking signs***

The District Department of Transportation (DDOT) received a request from The Bridges Academy at 6119 Georgia Ave, NW to designate 2 spaces in front of the school, for student pick-up and drop off parking during school hours. Currently there are parking meters at those spaces. DCMR Title 24 section 6.2 gives DDOT authority to place signs prohibiting parking on streets adjacent to any school on school days. Therefore, our office will install signs on Georgia Ave in front of the Academy to designate those spaces for student pick-up and drop off parking. The new signs will read, "15 Min Parking School Days 7:45-9AM and 3-6PM".

All comments on this subject matter must be sent to Mr. James Cheeks of the District Department of Transportation at 55 M ST, SE, 6th Floor, Washington, D.C. no later than thirty days (30) after the date of this notice. This notice of intent and all comments received will be posted on DDOT's Website at:
