**Re: Installation of Embassy Diplomatic reserved parking
NOI #14-26-TOA**

Dear Chairperson Lamar:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

- ***Installation of Embassy Diplomatic reserved parking***

The District Department of Transportation (DDOT) received a request from the Embassy of the Republic of Korea at 2329 Massachusetts Ave, NW, for Reserved on street. Currently there is Diplomatic Cars parking only in front of the building. DCMR Title 24 section 6.5 gives DDOT authority to have signs prohibiting parking along the curb in front of the building occupied by an embassy or legation of any foreign country, except for those vehicles bearing diplomatic motor vehicle identification tags. Therefore, our office has decided to replace the current Diplomatic Parking signs with new signs for the Embassy of Republic of Korea parking only.

All comments on this subject matter must be sent to Mr. James Cheeks of the District Department of Transportation at 55 M ST, SE, 6th Floor, Washington, D.C. no later than thirty days (30) after the date of this notice. This notice of intent and all comments received will be posted on DDOT's Website at:
