Re: Installation of Reserved Residential Parking Space for Disabled Resident

Dear Chairperson Holmes:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

Our office has received a request from Annie B. Toone of 5501 Hunt Place NE for Reserved Residential Parking Space for Disabled Resident for on-street parking space. According to 54 DCR 903 (February 2, 2007) section 2710.1 through 2710.3 the Director may reserve one (1) on-street parking space for any District resident who applies in writing for a reserved space and who qualifies under section 2710.1 (a) through (e). Therefore, DDOT has approved said resident to have a reserved on-street parking space with the shortest possible circulation route.

All comments on this subject matter must be filed in writing, not later than thirty business days (30) after the date of this notice, with the District Department of Transportation, Transportation Operations Administration, 55 M Street, S.E. Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT’s website at <http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent>

Sincerely,

Evian Patterson
Associate Director
Parking and Ground Transportation Division
District Department of Transportation
