

GOVERNMENT OF THE DISTRICT OF COLUMBIA  
DEPARTMENT OF TRANSPORTATION

**d.** Traffic Operations Administration

February 11, 2014

Mr. Shanel O. Anthony, Chairperson  
Advisory Neighborhood Commission 4C07  
4409 Kansas Ave, N.W.  
Washington, D.C.

**Re: Installation of ALL-WAY STOP signs  
Notice # 14-01 TOA**

Dear Mr. Anthony:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- ***Installation of All-Way Stop at intersection of 13th and Quincy Streets, N.W***

*Currently, the 4-way intersection of 13th and Quincy Streets, N.W., is controlled by a STOP sign on Quincy Street. A recent on-site study has revealed that due to the trees and curb roadways; the line both sides of both streets - sight distance is limited and the existing controls are no longer adequate to control this intersection. Therefore, in the interest of pedestrians and vehicular traffic safety, the Transportation Operations Administration has made an independent determination to install STOP signs on 13<sup>th</sup> Street, N.W., as well as on Quincy Street.*

All comments on this subject matter must be sent to Mr. James Checks of the District Department of Transportation at 55 M Street, S.E., 6th Floor, Washington, D.C. no later than thirty business days (30) after the date of this notice. This notice of intent and all comments received will be posted on DDOT's Website at:

<http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent?nav=3&vgnextrefresh=1>

Sincerely,

A handwritten signature in blue ink that reads "James M. Checks, Jr." with a stylized flourish at the end.

**James M. Checks, Jr. FITE**  
Chief Traffic Engineer  
Transportation Operations Administration
