

GOVERNMENT OF THE DISTRICT OF COLUMBIA
DEPARTMENT OF TRANSPORTATION

d. Office of the Director

July 5th, 2013
1440 Columbia Road, NW, Apt. 103
Washington, DC 20009

Dear Mr. Swank:

Pursuant to the “Administrative Procedure Amendment Act 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction:

The District Department of Transportation received a request from citizens in the Columbia Heights neighborhood as well as the Washington Hospital Center to relocate an existing shuttle bus stop. The shuttle bus stop is currently located at the 1400 block of Irving Street NW and provides shuttle services to employees and patients for the Washington Hospital Center. However, the proposed new location for the shuttle bus stop is the 1300 block of Irving Street NW. This change will reallocate approximately 45 feet of curbside space on the north side of the block. No parking meters or residential permit parking spaces are effected as a result of this change.

All comments on this subject matter must be filed in writing, no later than thirty (30) days after the date of this notice, with the District Department of Transportation (DDOT), Policy , Planning and Sustainability Administration, 55 M street, SE Washington DC 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT’s website at <http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent>

Sincerely,

A handwritten signature in black ink, appearing to read 'Eulois Cleckley'. The signature is stylized with several overlapping loops and a long horizontal stroke extending to the right.
