**Re: Installation of a Speed hump**

Dear ANC Jefferson:

After further review of the petition requesting the installation of a speed hump on the Unit Block of Longfellow St. NE, we will be installing a speed hump and additional speed limit signs along this area.

We are making this modification as a result of our upcoming Road Safety Audit that will be conducted at the intersection of North Capitol, New Hampshire and Longfellow in the near future. We will be contacting you to coordinate activities and get input from citizens in the area.

If you have any questions or if you have additional information, please do not hesitate to contact us.

Regards,
