Re: Notification of Approval for Installation of Reserved Residential Parking Space for Disabled Resident.

Dear Mr. Holmes:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

The District Department of Transportation (DDOT) received a request from Mr. Pernell Byrd at 613 Newton Place, NW for a reserved handicap residential on-street parking space. The Director may reserve one (1) on-street parking space for any District resident who applies in writing for a reserved space and who qualifies. Therefore, DDOT has approved Mr. Pernell Byrd to have a reserved on-street parking space with the shortest possible circulation route. The reserved space will be in front of residence 600 Newton Place since on the odd side of the street parking is not allowed. The resident at 600 Newton Place, Mrs. Beverly Harwood, does not have any issue with this installation as noted on a certified letter sent to DDOT dated July 18, 2013.

All comments on this subject matter must be filed in writing no later than thirty (30) days after the date of this notice with the District Department of Transportation (DDOT), Transportation Operations Administration, 55 M Street, SE, Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at <http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent>.

Sincerely,

Katherine D. Jefferson, Ph.D.
Associate Director
