Notice of Intent (NOI) #13-137-TOA

Re: Installation of No Parking Signage on Lawrence Avenue, N.E.

Dear Ms. Manning:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

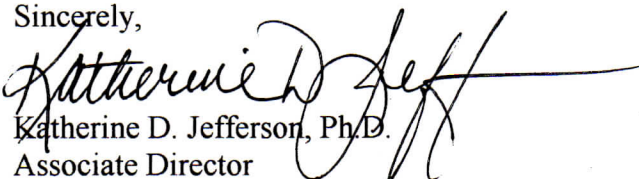

Prior to 2010, Lawrence Avenue, N.E., was an unimproved roadway between Bryant Street, N.E. and Edwin Street, N.E. “No Parking” restrictions for both sides of the roadway were posted. In 2010, DDOT improved the roadway and also installed installation curbs, gutters, and sidewalks in accordance to DDOT Standard Specifications for Highways and Structures

It was discovered that the existing “No Parking” restriction signs were not replaced after completion of the construction. The restriction is necessary due to limited street width and lack of ADA accessibility along both sides of Lawrence Street, N.E. between Bryant and Edwin Streets, N.E.

DDOT conducted a traffic and parking survey, which revealed no impact to overall circulation or safety of pedestrians, bicyclists, or motorists. DDOT re-installed the missing “No Parking Either Side of Street” signs along Lawrence Avenue, N.E. between Bryant and Edwin Streets, N.E., in order to match the missing regulation.

All comments on this subject matter must be filed in writing, no later than thirty (30) days after the date of this notice, with the District Department of Transportation (DDOT), Transportation Operations Administration (TOA), 55 M Street, S.E., Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT’s website at <http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent>.

Sincerely,

Katherine D. Jefferson, Ph.D.
