Re: Notification of Approval for Installation of Reserved Residential Parking Space for Disabled Resident

Dear Chairperson Muhammad:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

DDOT received a request from the resident who resides at **560 25th Place, N.E.** They requested a Reserved Handicap on-street permit parking space to be placed in front of their home. DDOT conducted an on-site investigation and found that the resident meets all of the requirements to have a Reserved Handicap on-street permit parking space. During our site visit we also found that the only space available for us to install the signs is in front of 558 25th Place, N.E. The resident who resides at 558 25th Place sent a certified letter to DDOT dated November 29, 2013, informing us that they do not have any issues with DDOT installing the signs in front of their home.

Therefore, our office has approved the said resident to have a Reserved Handicap on-street Permit Parking space with the shortest possible circulation route and least amount of stairs to the residence.

All comments on this subject matter must be filed in writing, no later than thirty (30) days after the date of this notice, with the District Department of Transportation (DDOT), Transportation Operations Administration, 55 M Street, SE, Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at <http://ddot.dc.gov/DC/DDOT/Services/Notice-of-Intent>.

Sincerely,

Katherine D. Jefferson, Ph.D.
Associate Director, Transportation Operations Administration
