Re: Installation of Metered Parking
Notice # 13-124-TOA
1400 Decatur St., NW

Dear Mr. Vaughan:

Pursuant to the "Administrative Procedure Amendment Act of 2000" D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

There is sixty-two feet of unrestricted space in front of 1400 Decatur Street N.W. (Andromeda Transcultural Health Center) currently. DDOT received a request from the Health Center to install a handicap space in front of the building. After conducting a field observation, DDOT has decided to install both a handicap space and two-hour parking meter spaces which will be beneficial for the visitors to the facility as well as the community.

All comments on this subject matter must be filed in writing, not later than thirty days (30) after the date of this notice, with the District Department of Transportation (DDOT), Transportation Operations Administration. Located at 55 M Street, S.E., 4th Floor, Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at <http://ddot.dc.gov/DC/DDOT/Services/Notice+of+Intent>

Sincerely,

Katherine D. Jefferson, Ph.D.
Associate Director
