Re: Installation of “No Standing or Parking 6am- 6pm Monday- Friday”

Dear Chairperson Manning:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction.

Currently, in the 1800-1900 block of Adams Street, N.E., there is a two way traffic pattern traveling eastbound and westbound. DDOT conducted a site visit, as result of the site visit it was revealed that a large volume of vehicles and tractor-trailers use Adams Street as a cut-through route to Lawrence Avenue, S.E.

Due to the variation of street widths throughout this corridor, DDOT has decided to amend the current “No Standing or Parking Anytime” signs on the south side of the block to allow for parking. We will also install “No Standing or Parking 6am- 6pm Monday- Friday” signs on the north side, which is currently unrestricted. This will allow for better traffic flow, less congestion, and safer school bus drop-off and pick-up.

All comments on this subject matter must be filed in writing, not later than thirty days (30) after the date of this notice, with the District Department of Transportation, Transportation Operations Administration, 55 M Street, S.E. Washington, D.C. 20003. If you would like to check the status of this Notice of Intent (NOI), please visit DDOT's website at <http://ddot.dc.gov/service/ddot-notice-intent>.

Sincerely,

Katherine D. Jefferson, Ph.D.
Associate Director, Transportation Operations Administration
