Re: Installation of Stop Signs – Ward 4
Notice 11-44-TOA

Dear Mr. Kennedy:

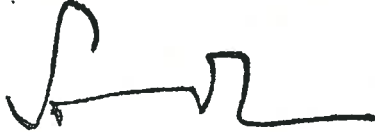

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following in your jurisdiction:

Currently the T-intersection of Northgate Road and Primrose Road, NW is controlled by a stop sign along Primrose Road. Northgate Road is uncontrolled. An independent determination has been made after analyzing this intersection that an All-Way stop condition is needed to address the concerns of the neighborhood. This new installation will include: “Stop” signs and “Advance Warning Stops Ahead” signs. Please note that one parking space will be removed on the south side of Northgate Road west of Primrose Road in order to increase visibility of Stop sign. Therefore, TOA will create shop orders for the following action:

- Install Stop Signs on Northgate Road, both approaches at Primrose Road, NW,
- The removal of one parking space on the south side of Northgate Road west of Primrose Road and,
- Advance Warning Stop Signs ahead.

All comments on this subject matter must be filed in writing, not later than thirty days (30) after the date of this notice, with the District Department of Transportation, Transportation Operations Administration, 55 M Street, S.E., 6th Floor, Washington, D.C. 20003.

Sincerely,
