Re: Request for Bikeshare stations in ANC 6C

Dear Mr. Bellamy:

On November 13, 2013, at a duly noticed, regularly scheduled monthly meeting of ANC 6C, with a quorum of 6 out of 6 commissioners and the public present, the above-mentioned matter came before us.

Mr. Joe McCann, citizen chair of our ANC 6C Transportation/Public Space Committee, presented the situation in ANC 6C where wide areas are without Bikeshare stations. Specifically, the following locations:

- First and K Streets N.E.
- Fifth or Sixth and K Streets N.E.
- Seventh and Constitution N.E.

In the last example, Seventh and Constitution, a school dormitory is being planned nearby with no parking privileges for students, thus pointing to the need for bicycle transportation for the students.

The commissioners voted unanimously, 6:0:0, to support this request for Bikeshare stations. Please forward this request to the appropriate person or persons who oversee Bikeshare facilities:

Thank you for giving great weight to the recommendations of ANC 6C.

On behalf of ANC 6C,

Karen Wirt  
ANC 6C chair
