**Re: Residential Permit Parking
Notice 13-147-TOA**

Dear Ms. Green:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

- ***Installation of Residential Permit Parking 7:00 AM to 8:30 PM, Monday through Friday along Peabody Street east of the Wal-Mart property.***

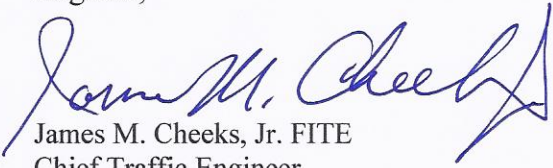

Currently, the east and west side 1000 block of Peabody Street, N.W. has unrestricted parking on both sides from the Wal-Mart parcel east to 9th Street, N.W. We have received a valid petition from the residents of this block with a concurrence letter from the Advisory Neighborhood Commission to install Residential Permit Parking between the hours of 7:00 AM to 8:30PM, Monday through Friday, Zone 4B.

Traffic and parking survey showed no impact to overall circulation or safety of pedestrians, bicyclists, or motorists. Therefore, we recommend installing Residential Permit Parking Zone 4B in the 1000 block of Peabody Street, N.W., for both sides of Peabody Street east of the Wal-Mart property.

All comments on this subject matter must be sent to Mr. James Cheeks of the District Department of Transportation at 55 M Street, S.E., 6th Floor, Washington, D.C. no later than thirty business days (30) after the date of this notice. This notice of intent and all comments received will be posted on DDOT's Website at:
