Re: Installation of Sunday Parking for N.W. Churches
Notice 12-67-TOA

Dear Ms. Smith:

Pursuant to the “Administrative Procedure Amendment Act of 2000” D.C. LAW 13-249 (48 DCR 3491 April 20, 2001), the District Department of Transportation (DDOT) is required to give a written notice of our intent to modify traffic and/or parking requirements. This letter is being forwarded to you for the purpose of notification and solicitation of comments on our intent to implement the following modifications in your jurisdiction.

Currently, parking for church parishioners located in the Shaw community of N.W. has been impacted by the installation of Enhanced Residential Parking which limits parking to Ward 1 residents only. In an effort to provide more parking opportunities, the District Department of Transportation will make (No Parking) areas available on Sundays from 7:00 am to 2:00 pm for the following limits in N.W.: S Street, to the north, Rhode Island Avenue to the south, 9th Street to the east, and 13th Street to the west.

An on-site investigation has revealed that the proposed parking would have little impact on overall traffic circulation, and would cause minimal inconvenience for local residents. Therefore, we recommend that No Parking areas be made available for church parking from 7:00 am to 2:00 pm Sundays for the above reference limits.

All comments on this subject matter must be filed in writing, not later than thirty days (30) after the date of this notice with the District Department of Transportation, Transportation Operations Administration, **55 M Street S.E., 6th Floor, Washington, D.C. 20003.**

Sincerely,

Soumya Dey, PE
